LED LUMINAIRE FRAME

- Read all instructions.
- Save these instructions.

PREVENTING ELECTROSTATIC DAMAGE

A discharge of static electricity may damage sensitive components. Always be properly grounded when touching leads or circuitry inside the luminaire. Use a wrist strap connected by a ground cord to the housing. Avoid touching the light sources with bare hands.

LIGHT SOURCE - DO NOT TOUCH LED

Touching the LED can result in permanent damage of the light source. The light source contained in this luminaire shall only be replaced by the manufacturer or his service agent or a similar qualified person.

MUST BE COMBINED WITH

(NOT INCLUDED)

- Qbini light engine (3x), and
- IC-Box Qbini 3x (1x)
