# Overview

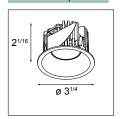

Smart Lotis is the best known fixture within the Smart family. The deeply recessed cone which holds the light source inspired the designers to create a very versatile spot to be combined with multiple accessories.

With an outer diameter of 3.2" and an aperture of 2.7 inches (fixed version) or 2 inches (adjustable version), the Smart Lotis 3.2 is compact yet powerful. Combined with a wall tube (cylinder) that is offered in 1X and 2X, and multiple finishes, the beautiful combinations are yours to discover.
