

Pista Suspended Up/Down Track

Overview

Pista is the ultimate in modern aesthetics, introducing thinner, slimmer magnetic track rails, even smaller light fixtures and ultra-thin cables. But Pista isn't just about miniaturization, it's also about personalization. Designers can create unique configurations and play with different modules on single or multiple track rails in different lengths, light effects and colors.

Pista Suspended Up/Down Track

Track Specifications & Ordering Information

General

- Fixtures attach magnetically to the track
- Profile Finish: powder coat
- Can be field cut
- Weight: 0.9lbs per foot
- Dry locations only

Electrical

- cUL Class II only
- 48V DC (see power supply section)
- Circuits: Upper side: 1 circuit + Data bus, lower side: 1 circuit + Data bus
- Upper and lower circuits can be electrically connected using power feeds
- Maximum 100W per track circuit
- Dimming: 0-10V or DALI (specified separately in the fixture)

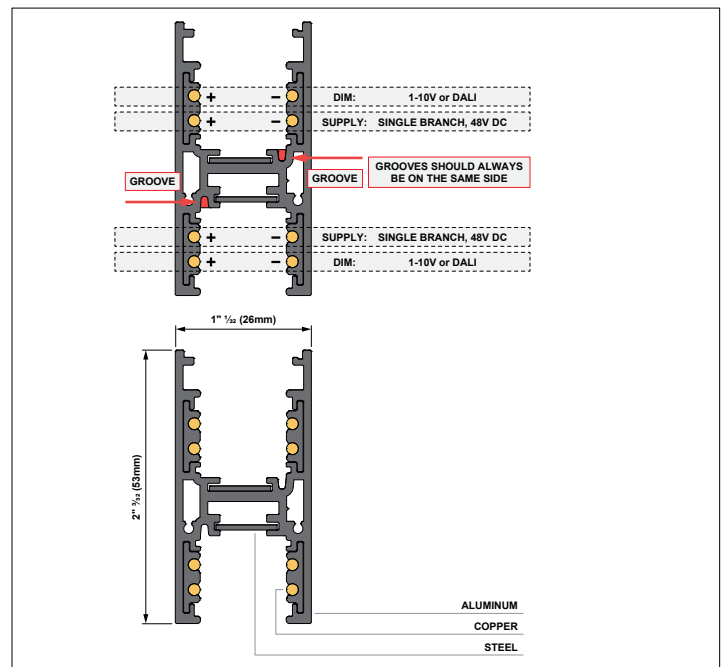

Finish Information

Power Supply Specifications & Ordering Information

REMOTE POWER SUPPLIES

- Must be used with power feed cable + connection box (page 4)
- For cabinet and surface mount use only.
- 4 mounting holes for surface mounting
- 4 knockout holes for low voltage wiring and 4 knockout holes for high voltage wiring
- May be placed up to 50ft away from track using 16AWG wire
- Maximum load: 90% of rated power
- Dry rated
- Weight: 1.4lbs

SURFACE MOUNTED POWER SUPPLIES FOR SUSPENDED TRACK

- Included: Plaster finish plate for 4x4 octagonal junction box (cover plates optional)
- Box Material: Cast Aluminum
- Cable finish: PVC
- Cable color: black
- Cable diameter: 0.27"
- Cable length: 78.7"
- Cable length can be field adjusted
- Conductors: 4x 18AWG
- Maximum load: 90% of rated power
- Dry rated
- Weight: 2.2lbs

Control Accessories

CASAMBI WIRELESS CONTROL

Casambi Track 48V Dim Module

- Utilizes Bluetooth Low Energy Wireless Mesh (no control wires required)
- For individual / discrete fixture control (requires Pista fixtures to be DALI dimmable)
- Connect up to 64 DALI track 48V fixtures to one dim module
- Not to be connected to an existing DALI network; only use as independent system
- Contact customer service for the latest configuration & setup documentation
- Weight: 0.1lbs (39.4" version)

Casambi Track 48V Dim Module

Casambi Track 48V Dim Module

Casambi Wireless Switch

- Range: up to 164 ft in open air
- Weight: 0.2lbs
