

The undersigned, representative of the following manufacturer,

|                                 |                                                                                             |
|---------------------------------|---------------------------------------------------------------------------------------------|
| <b>Manufacturer and address</b> | <b>PITS N.V. Modular Lighting Instruments<br/>Armoedestraat 71, 8800 Roeselare, BELGIUM</b> |
|---------------------------------|---------------------------------------------------------------------------------------------|

Declares that the product

|                   |                                                 |
|-------------------|-------------------------------------------------|
| <b>Product ID</b> | <b>Product description</b>                      |
| <b>12591099</b>   | <b>Trapz LED&lt;900L2,7K1-10/PDGI anobr/alu</b> |

Complies with the regulations of the following EC directives (including all applicable alterations):

| Reference no.                              | Title |
|--------------------------------------------|-------|
| 2014/35/EU - Low Voltage Directive         |       |
| 2014/30/EU - EMC Directive                 |       |
| 2011/65/EU - RoHS Directive                |       |
| 2009/125/EC - ECODESIGN Directive          |       |
|                                            |       |
| (EU) 2019/2020 and amendment (EU) 2021/341 |       |

Statement of (parts of) standards and/or technical specifications which have been applied for this declaration of conformity:

Harmonized standards:

| Reference no.                                                                                                                                                                                                         | Title |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------|
| EN 60598-1:2015 + A1:2018 - Luminaires General Requirements And Tests                                                                                                                                                 |       |
| EN 61547:2009 - EMC Immunity Requirements                                                                                                                                                                             |       |
| EN 62471:2008 - Photobiological Safety Of Lamps And Lamp Systems                                                                                                                                                      |       |
| EN 62493: 2010 - Assessment Of Lighting Equipment To Human Exposure Of Electromagnetic Fields                                                                                                                         |       |
| EN 60598-2-1:1989 - Fixed General Purpose Luminaires                                                                                                                                                                  |       |
|                                                                                                                                                                                                                       |       |
| EN 55015:2013 (incl ISH 1 & ISH 2) - Limits and methods of measurement of radio disturbance characteristics of electrical lighting and similar equipment                                                              |       |
| EN 61000-3-2:2014 - Limits for harmonic current emissions (equipment input current ≤ 16 A per phase)                                                                                                                  |       |
| EN 61000-3-3:2013 - Limitation of voltage changes, voltage fluctuations and flicker in public low-voltage supply systems, for equipment with rated current ≤ 16 A per phase and not subject to conditional connection |       |
| EN IEC 63000:2018 - Technical documentation for the assessment of electrical and electronic products with respect to the restriction of hazardous substances                                                          |       |
|                                                                                                                                                                                                                       |       |
|                                                                                                                                                                                                                       |       |
|                                                                                                                                                                                                                       |       |

And are produced under quality scheme at least in conformity with ISO9001 and ISO14001.
