

## UK-DECLARATION OF CONFORMITY

The undersigned, representative of the following manufacturer,

|                                |                                                                                       |
|--------------------------------|---------------------------------------------------------------------------------------|
| <b>Manufacturer and adress</b> | <b>PITS N.V. Modular Lighting Instruments<br/>Armoedestraat 71, BE 8800 Roeselare</b> |
|--------------------------------|---------------------------------------------------------------------------------------|

Declares that the product

|                   |                                                        |
|-------------------|--------------------------------------------------------|
| <b>Product id</b> | <b>Product description</b>                             |
| <b>13582182</b>   | <b>Placebo down LED 3000K for Kompas GE ano bronze</b> |

Complies with the regulations of the following EC directives (including all applicable alterations):

| Reference no.                       | Title |
|-------------------------------------|-------|
| 2014/35/EU - Low Voltage Directive  |       |
| 2014/30/EU - EMC Directive          |       |
| 2011/65/EU - RoHS Directive         |       |
| 2009/125/EC - ECODESIGN Directive   |       |
|                                     |       |
| 1194/2012/EU - ECODESIGN Regulation |       |

Statement of (parts of) standards and/or technical specifications which have been applied for this declaration of conformity:

Harmonized standards:

| Reference no.                                                                                                                                                                                                         | Title |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------|
| EN 60598-1:2015- Luminaires General Requirements And Tests                                                                                                                                                            |       |
| EN 61547:2009 - EMC Immunity Requirements                                                                                                                                                                             |       |
| EN 62471:2008 - Photobiological Safety Of Lamps And Lamp Systems                                                                                                                                                      |       |
|                                                                                                                                                                                                                       |       |
| EN 60598-2-1:1998 - Fixed General Purpose Luminaires                                                                                                                                                                  |       |
|                                                                                                                                                                                                                       |       |
| EN 55015:2013 (incl ISH 1 & ISH 2) - Limits and methods of measurement of radio disturbance characteristics of electrical lighting and similar equipment                                                              |       |
| EN 61000-3-2:2014 - Limits for harmonic current emissions (equipment input current ≤ 16 A per phase)                                                                                                                  |       |
| EN 61000-3-3:2013 - Limitation of voltage changes, voltage fluctuations and flicker in public low-voltage supply systems, for equipment with rated current ≤ 16 A per phase and not subject to conditional connection |       |
| EN 50581:2012 - Technical documentation for the assessment of electrical and electronic products with respect to the restriction of hazardous substances                                                              |       |
|                                                                                                                                                                                                                       |       |
|                                                                                                                                                                                                                       |       |
|                                                                                                                                                                                                                       |       |

And are produced under quality scheme at least in conformity with ISO9001 and ISO14001.
