

Pista track 48V high profile

US_134556XX_US_134557XX_US_134558XX

SHORTEN PROFILE

REMOVE BURRS AFTER CUTTING

MATERIALS & DIMENSIONS

ELECTRICAL

ELECTRICAL CONNECTION: SEE POWER FEED INSTRUCTION

MECHANICAL FIXATION (SURFACE MOUNTING)

ADDITIONAL FIXATION POINTS MAY BE PROVIDED

MAXIMUM LOAD

PROFILE LENGTH \leq 39" (1m):
Maximum load = 22lb (10kg)

PROFILE LENGTH $>$ 39" (1m):
Add 11lb (5kg) to the maximum load for each additional profile length of 39" (1m)

WARNING
support the track when
clicking in and pulling out
fixtures

INSTALLATION INSTRUCTION

- Read all instructions before installing the luminaire.
- Save these instructions and refer to them when additions or changes in the track configuration are made.

DRY LOCATIONS ONLY

Do not install this track luminaire in damp or wet locations.

IMPORTANT SAFETY INSTRUCTIONS

- Do not install any part of a track system less than 5 feet above the floor.
- Do not install any luminaire closer than 6 inches from any curtain, or similar combustible material.
- Disconnect electrical power before adding to or changing the configuration of the track.
- Do not attempt to energize anything other than lighting track luminaires on the track. To reduce the risk of fire and electric shock, do not attempt to connect power tools, extension cords, appliances, and the like to the track.
- Do not connect a track to more than one branch circuit unless the track is constructed so that it can be used with more than one branch circuit. Check with a qualified electrician. Although the track lighting system may seem to operate acceptably, a dangerous overload of the neutral may occur and result in a risk of fire.
- This track system is not intended for use with a power supply cord or convenience receptacle adaptor.
