

Compose your Kompas

This guide will help you in composing your Kompas configuration. Based on the type and amount of spotlights you wish to add to your configuration, you will find in this guide the exact article number of the compatible Kompas base. You can also follow the links on each detailed spotlight page to find the list of all article numbers of that spotlight. Enjoy creating your Kompas configuration and seeing it come to life!

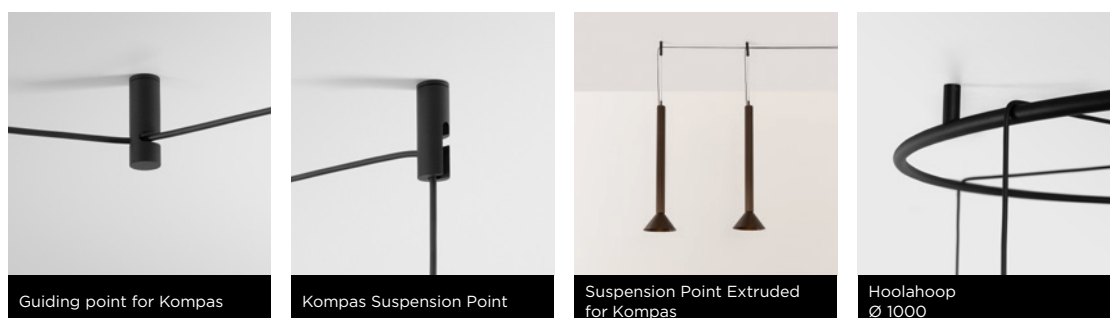

1. Select spotlight modules

2. Select Kompas base

3. Select optional accessories
