Fitting : GU5.3

hole dimension for recessed frame.

207x107
H= 130

min. 1mm
max. 28mm

A line drawing of a rectangular table with a thick border. On the table, there are two identical circular tables, each with a thick border and a central circular inset. The circular tables are positioned side-by-side, with their centers aligned horizontally. Each circular table has a small, dark, teardrop-shaped object on its central inset.
